### **PHYSICAL DEMANDS – MEDIUM WORK**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to use hands to finger, handle, or feel; talk or hear; and smell. The employee frequently is required to stand; walk; reach with hands and arms; and stoop, kneel, crouch, or crawl. The employee is occasionally required to sit and climb or balance. The employee must occasionally lift 20 to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

### **WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently exposed to outside weather conditions and to inside wet and/or humid conditions. The employee is occasionally exposed to moving mechanical parts, toxic or caustic chemicals as used in cleaning, risk of electrical shock, and vibration. The noise level in the work environment is usually moderate.
